### TO BE MARRIED TODAY

Dr. Herbert Harris Marries Miss Smith This Morning in Beardsdown, Ill.

Dr. Herbert Harris of this city and Miss Nellie Smith will be married this morning at the home of the bride in Beardsdown, Ill., where Dr. Harris had gone on a short visit. Dr. and Mrs. Harris will come to Greenville and from there will motor to Hendersonville, N. C.

Miss Smith has for the past two years been instructor in voice at Anderson College and during her stay in Anderson she has won much admiration because of her voice, her beauty and her sweet character. She left here about the first of June for her home and shortly afterwards her engagement to Dr. Harris was announced in the papers at Beardsdown and shortly afterwards appeared in the Anderson papers. Many glad expressions were then heard for Miss Smith had won herself into the hearts of many people here and they were anxious to welcome her as a regular resident.

### Traveling Man's Experience.

"In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me from four relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man, but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.

Summer Aches and Pains. That backache or stiff muscle that can not be explained on account of having "sat in a draft and caught cold" is more than likely the result of weakened or disordered kidneys. Foley Kidney Pills promptly relieve backache, sore, swollen or stiff muscles and joints, rheumatism and sleep disturbing bladder ailments. They put the kidneys in sound, healthy condition, and help them eliminate uric acid and other poisons from the system. Evans Pharmacy.

## 1,500 YARDS BINDER HAS BEEN PUT DOWN

PLANT WAS RUNNING FINE YESTERDAY AND MUCH ACCOMPLISHED

ON M'DUFFIE ST.

Placing Concrete Base Will be Continued There for the Present.

Approximately 1,500 yards of binding were placed on West Market street yesterday, the work beginning at Maxwell avenue and being continued almost to Webb street. Everything was going fine at the asphalt plant yesterday and the work was carried on with much haste.

The work of placing the concrete base on McDuffie street is going right ahead. The work has nearly reached River street and good progress is being made.

This work will be continued on McDuffie street to Greenville street and the force will not be moved to Main street as was stated a few days ago. When the force reaches Benson street, that part of McDuffie street paved with Belgian blocks will be skipped and the work resumed beyond Whitner. The Southern Public Utilities company will not be through their work on Main Street in time for this change to be made as was thought, and therefore the work will be continued on McDuffie.

City Engineer Sanders stated last night that he was well pleased with the work on West Market street and that it ought to be finished in about two weeks.

## Salts If Backache And Kidneys Hurt

Stop Eating Meat for a While If Your Bladder is Troubling You.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must remove them like you relieve your bowels, removing all the body's uric waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scales, and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to cleanse and stimulate sluggish kidneys, also, to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful effervescent lithia-water drink.

## Glad to Recommend Fruitola and Traxo

Mrs. Norforth Says She Suffered With Gall-stones for Several Years With Relief.

MRS. ROSA NORFORTH

In a letter to the Pinus laboratories, Mrs. Rosa Norforth, Monticello, Ill., says: "I cannot praise Fruitola and Traxo too highly as I consider it saved my life. I suffered with gall-stones for several years and could not get any relief until your preparation was recommended to me. It has been six months since I took the last bottle and I feel that I am entirely well. Have anyone doubting the merit of your preparation write me as I will be only too glad to recommend Fruitola and Traxo to anyone suffering from gall-stones."

Fruitola and Traxo are the names used to identify two preparations that are taken in combination. Fruitola acts on the intestinal organs as a powerful lubricant, softening congested masses and disintegrating the hardened particles that cause so much suffering, and expelling the accumulation with almost instant relief. Traxo is a splendid tonic, acting on the liver and stomach with most beneficial results and is recommended in connection with Fruitola to build up and restore the system that has been

come run down and weakened through the suffering incident to the derangement of the digestive organs.

In the files of the Pinus laboratories at Monticello, Ill., are many letters gratefully acknowledging the satisfactory results following the use of Fruitola and Traxo. Arrangements have been made for the distribution of these excellent remedies by leading drug stores everywhere. In Anderson Fruitola and Traxo can be obtained at Evans' Pharmacy, three stores.
